

## LION MELVIN JONES

Founder of Lionism  
(13-01-1879 to 01-06-1961)

Melvin Jones was born on January 13, 1879 in Fort Thomas, Arizona, the son of a United States Army captain who commanded a troop of scouts. Later, his father was transferred and the family moved east. As a young man, Melvin Jones made his home in Chicago, Illinois, became associated with an insurance firm and in 1913 formed his own agency.

He soon joined the Business Circle, a businessmen's luncheon group, and was shortly elected secretary. This group was one of many at that time devoted solely to promoting the financial interests of their membership. Because of their limited appeal, they were destined to disappear. Melvin Jones, then a 38-year-old Chicago business leader, had other plans.

"What if these men," Melvin Jones asked, "who are successful because of their drive, intelligence and ambition, were to put their talents to work improving their communities?" Thus, at his invitation, delegates from men's clubs met in Chicago to lay the groundwork for such an organization and on June 7, 1917, Lions Clubs International was born.

Melvin Jones eventually abandoned his insurance agency to devote himself full time to Lions at International Headquarters in Chicago. It was under his dynamic leadership that Lions clubs earned the prestige necessary to attract civic-minded members.

The association's founder was also recognized as a leader by those outside the association. One of his greatest honors was in 1945 when he represented Lions Clubs International as a consultant in San Francisco, California, at the organization of the United Nations.

Melvin Jones, the man whose personal code "You can't get very far until you start doing something for somebody else" became a guiding principle for public-spirited people the world over, died June 1, 1961 at 82 years of age.

## *About Lions*

### **The Lions Name**

On June 17, 1917 at the invitation of Melvin Jones, delegates met in Chicago. The only point of contention was the selection of a name for the new organization. Melvin Jones researched the idea of calling the new organization Lions. He was convinced that the lion stood for strength, courage, fidelity and vital action. On a secret ballot the name Lions was chosen over several others.

### **The Lions Emblem**

At the 1919 convention, there was a move to change the symbol, but a young attorney from Denver, Colorado rose to speak. His name was Halsted Ritter. "The name Lions stands not only for fraternity, good fellowship, strength of character and purpose, but above all, its combination of L-I-O-N-S heralds to the country the true meaning of citizenship: LIBERTY, INTELLIGENCE, OUR NATION'S SAFETY."

The January 1931 issue of THE LION Magazine featured this interpretation of the association's name: Our name was not selected at random, neither was it a coined name. From time immemorial, the lion has been the symbol of all that was good, and because of the symbolism that name was chosen. Four outstanding qualities – Courage, Strength, Activity and Fidelity – had largely to do with the adoption of the name. The last mentioned of these qualities, Fidelity, has a deep and peculiar significance for all Lions. The lion symbol has been a symbol of Fidelity through the ages and among all nations, ancient and modern. It stands for loyalty to a friend, loyalty to a principle, loyalty to a duty, loyalty to a trust. The emblem consists of a gold letter "L" on a circular area. Bordering this is a circular area with two Lion profiles facing away from the center. The word "Lions" appears at the top and "International" at the bottom. The Lions face both past and future – showing both pride of heritage and confidence in the future.

### **Official Colors**

Pantone Matching System (PMS) is a popular color matching system used by the printing industry to print spot colors. Most applications that support color printing allow you to specify colors by indicating the Pantone name or number. This assures that you get the right color when the file is printed, even though the color may not look right when displayed on your monitor. The following are specified Pantone colors for Lion logos:

One color logo: PMS 287

Two color logo: PMS 287 and PMS 7406

## *History Of Lionism*

### **Beginning in 1917**

Melvin Jones, a 38-year-old Chicago business leader, asked a simple and world-changing question – what if people put their talents to work improving their communities? Almost 100 years later, Lions Clubs International is the world's largest service club organization, with 1.35 million members in more than 46,000 clubs and countless stories of Lions acting on the same simple idea: let's improve our communities.

### **1920: Going International**

Just three years after our founding, Lions became international when we established the first club in Canada. Mexico followed in 1927. In the 1950s and 1960s international growth accelerated, with new clubs in Europe, Asia and Africa.

### **1925: Eradicating Blindness**

Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, USA, and challenged Lions to become "knights of the blind in the crusade against darkness." Since then, we have worked tirelessly to aid the blind and visually impaired.

### **1945: Uniting Nations**

The ideal of an international organization is exemplified by our enduring relationship with the United Nations. We were one of the first nongovernmental organizations invited to assist in the drafting of the United Nations Charter and have supported the work of the UN ever since.

### **1957: Organizing Youth Programs**

In the late 1950s, we created the Leo Program to provide the youth of the world with an opportunity for personal development through volunteering. There are approximately 144,000 Leos and 5,700 Leo clubs in more than 140 countries worldwide.

### **1968: Establishing Our Foundation**

Lions Clubs International Foundation assists Lions with global and large-scale local humanitarian projects. Through our Foundation, Lions meet the needs of their local and global communities.

### **1990: Launching SightFirst**

Through SightFirst, Lions are restoring sight and preventing blindness on a global scale. Launched in 1990, Lions have raised more than \$346 million for this initiative. SightFirst targets the major causes of blindness: cataract, trachoma, river blindness, childhood blindness, diabetic retinopathy and glaucoma.

### **Today: Extending Our Reach**

Lions Clubs International extends our mission of service every day – in local communities, in all corners of the globe. The needs are great and our services broad, including sight, health, youth, elderly, the environment and disaster relief. Our international network has grown to include more than 207 countries and geographic areas.

## *Lions International Purposes*

- ☞ **To Organize**, charter and supervise service clubs to be known as Lions clubs.
- ☞ **To Coordinate** the activities and standardize the administration of Lions clubs.
- ☞ **To Create** and foster a spirit of understanding among the peoples of the world.
- ☞ **To Promote** the principles of good government and good citizenship.
- ☞ **To Take** an active interest in the civic, cultural, social and moral welfare of the community.
- ☞ **To Unite** the clubs in the bonds of friendship, good fellowship and mutual understanding.
- ☞ **To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- ☞ **To Encourage** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

### LIONS CODE OF ETHICS

- ☞ **To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- ☞ **To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- ☞ **To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- ☞ **Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- ☞ **To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- ☞ **Always** to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- ☞ **To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- ☞ **To Be Careful** with my criticism and liberal with my praise; to build up and not destroy.
